³ See *Revision of FM Assignment Policies and Procedures*, 90 FCC2d 88, 91 (1988). The FM Allotment priorities are (1) First full-time aural service. (2) Second full-time aural service. (3) First local service. (4) Other public interest matters. [Co-equal weight is given to priorities (2) and (3)].

Benton's citizens. Petitioner also notes that Benton has its own voting precinct with 852 registered voters, and includes a statement of the Circuit Clerk attesting to this fact.

4. We find that Benton is a community for allotment purposes and that this proposal will serve the public interest as a preferential arrangement of allotments. Petitioner has provided adequate documentation in support of Benton's community status. It has established that Benton is a "distinct geographical population grouping," i.e., a grouping of residents with a common identity evidenced by such entities as local businesses, a post office, schools and churches.⁴

5. The proposal will be a preferential arrangement of allotments for the following reasons. The community of Yazoo City, 2000 U.S. Census population 14,550 persons, would not be deprived of its sole local service.⁵ The proposal would provide a first local aural transmission service at Benton, under Priority (3), which is preferred over the retention of a second local transmission service at Yazoo City, which would serve Priority (4). Additionally, Benton is not in any urbanized area, and its proposed 70dBu will cover less than 50 percent of any urbanized area.⁶ Finally, the loss area of 440 persons would remain well served with five or more services.

6. Channel 226A can be reallocated at Benton at a site 2.2 kilometers (1.4 mile) northwest of the community.⁷

7. The Commission will send a copy of this *Report and Order* in a report to be sent to Congress and the General Accounting Office pursuant to the Congressional Review Act, see 5 U.S.C. 801(a)(1)(A).

8. Accordingly, pursuant to the authority found in 47 U.S.C. Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) and 47 C.F.R. Sections 0.61, 0.204(b) and 0.283, IT IS ORDERED, That effective February 25, 2005, the FM Table of Allotments, 47 C.F.R. Section 73.202(b), IS AMENDED, with respect to the communities listed below, to read as follows:

<u>Community</u>	<u>Present</u>	<u>Channel</u>	<u>Proposed</u>
Yazoo City, Mississippi	221A, 226A		221A
Benton, Mississippi	---		226A

9. IT IS FURTHER ORDERED, That pursuant to 47 U.S.C. Section 316(a) the authorization of SSR Communications, Incorporated for Station WYAB(FM), Channel 226A, Yazoo City, Mississippi, IS MODIFIED to specify operation at Benton, Mississippi, subject to the following conditions:

(a) Within 90 days of the effective date of the *Order*, the licensee of Station WYAB(FM) shall submit to the Commission a minor change application for a construction permit (Form 301), specifying the

new facility;

(b) Upon grant of the construction permit, program tests may be conducted in accordance with Section 73.1620; and

(c) Nothing contained herein shall be construed to authorize a change in transmitter location or to avoid the necessity of filing an environmental assessment pursuant to Section 1.1307 of the Commission's Rules, unless the proposed facilities are categorically excluded from environmental processing

10. Pursuant to 47 C.F.R. Sections 1.1104(1)(k) and (2)(k), any party seeking a change in community of license of an FM or television allotment or an upgrade of an existing FM allotment, IF THE REQUEST IS GRANTED, must submit a rule making fee when filing its application to implement the change in community of license and/or upgrade. As a result of this proceeding, SSR Communications, Incorporated, licensee of Station WYAB(FM), Yazoo City, Mississippi, is required to submit a rulemaking fee in addition to the fee required for the application to effectuate the change in community of license for Station WYAB(FM), Channel 226A, Yazoo City, Mississippi to Benton, Mississippi at the time its Form 301 application is submitted.

11. IT IS FURTHER ORDERED, That this proceeding IS TERMINATED.
